THE NATIONAL BENEFITS BEYOND UTAH

International students studying at U.S. colleges and universities contribute **\$39.0 billion** and support **455,622 jobs** to the U.S. economy.* **For every seven international students enrolled, three U.S. jobs are created** and supported by spending occurring in the higher education, accommodation, dining, retail, transportation, telecommunications and health insurance sectors.

The economic contributions of international students are in addition to the immeasurable academic and cultural value these students bring to our campuses and local communities. For a more detailed analysis, access NAFSA's *International Student Economic Value Tool* at nafsa.org/economicvalue.
